Department of Statistics: Producer Price Index (PPI) decreased by (0.54 %) in the first eight months of 2025

The Department of Statistics (DOS) issued its monthly report on the Producer Price Index (PPI), which observed a decrease by (0.54%) (less than one percentage point) in the first eight months of 2025 compared to the same period in 2024. On the monthly level, the PPI had decreased by (0.75%) in August 2025 compared to the same month in 2024, and decreased by (0.46%) compared to July 2025. Note that the base year was adjusted to (2018=100) instead of (2010=100).

Figure (1): Monthly PPI for the years 2024 and 2025

Accordingly, the PPI of the first eight months of 2025 had reached 106.81 against 107.38 for the same period in 2024. On the monthly level, the PPI of August 2025 had reached 106.56 against 107.37 in August 2024 and 107.05 in July 2025.

Comparing the accumulative PPI for the first eight months of 2025 with the same period in 2024, the prices of “Manufacturing Industries” were decreased by (0.80%) with a relative importance 88.74%, while there were increases in the prices of “Quarrying Industries” by 2.37% with a relative importance 5.36% and the prices of “Electricity” by 0.84% with a relative importance of 5.91%.

On the commodities level, the decrease in the PPI of August 2025 compared to the same month of 2024 was due to the decrease in the prices of “Manufacturing Industries” by (1.43%) with a relative importance of 88.74%, while there were increases in the prices of “Quarrying Industries” by 9.60% with a relative importance of 5.36% and the prices of “Electricity” by 0.57% with a relative importance of 5.91%.

On the monthly change domain, the PPI of August 2025 compared to July 2025 was decreased due to the decrease in the prices of “Manufacturing Industries” by (0.60%) with a relative importance of 88.74% and the prices of “Electricity” by (0.64%) with a relative importance of 5.91%. Meanwhile, the prices of “Quarrying Industries” were increased by 2.03% with a relative importance of 5.36%.
